*Needs based,  
restrictions apply*

**APNIC**

# Applications received Vs Accounts opened

Chart Title

# Recent Applications from South Asia

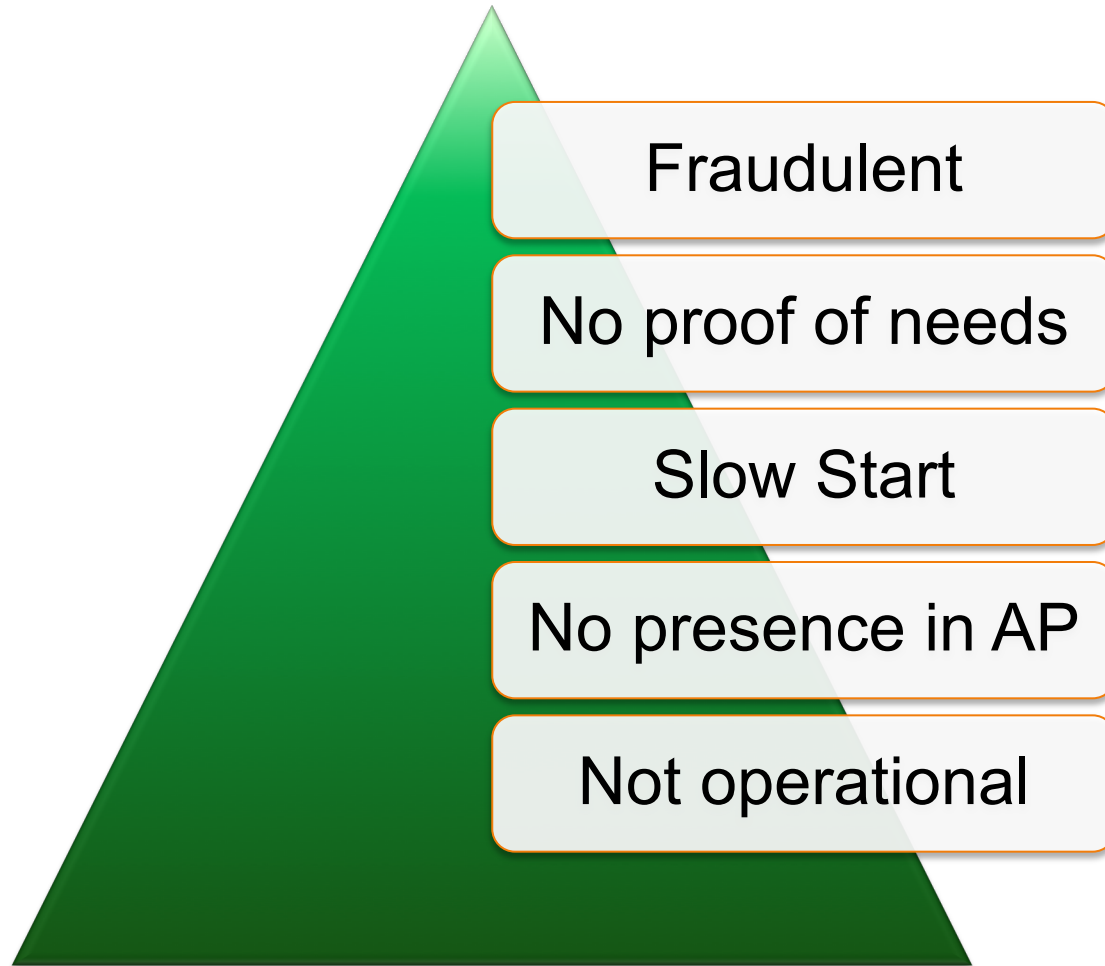

2016-January-01 to 2018-June-30

# Some don't reach the requirement evaluation stage

# While some requests are not justified

# Needs that are NOT recognized

Immediate needs which cannot be demonstrated

To be used completely outside AP region

Needs of a third party

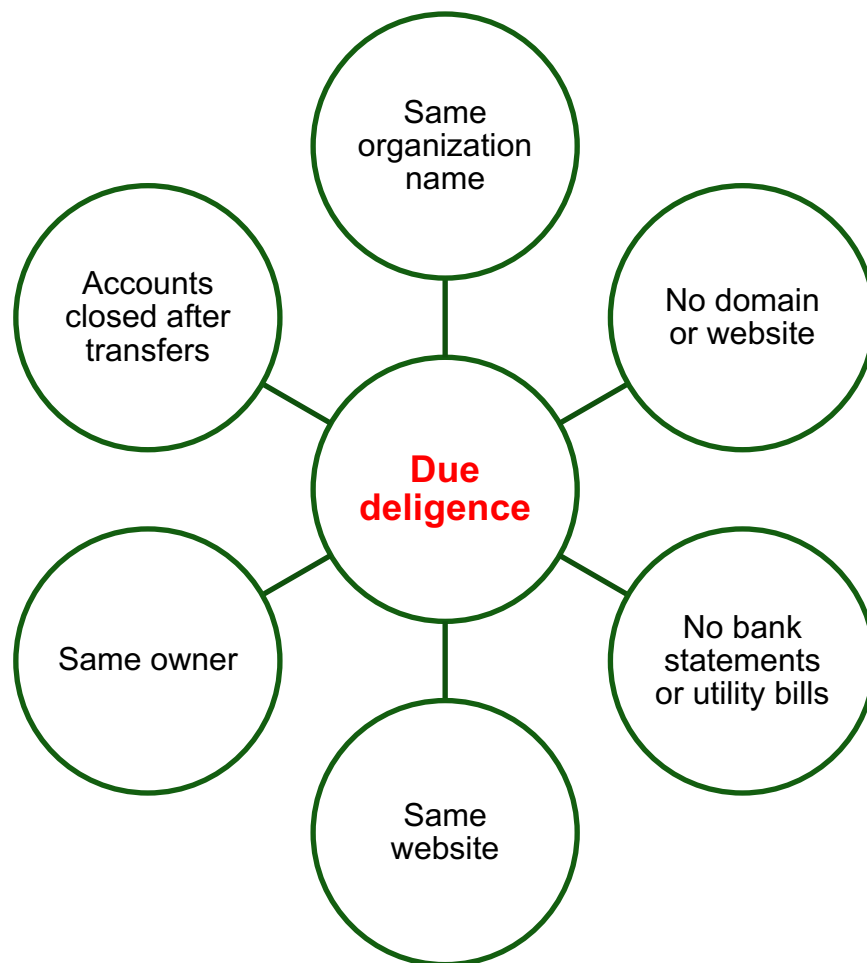

Same legal entity with a different business need

# What do we check ?

- **Is the entity legally registered ?**
  - Certificate of incorporation
  - Sole proprietor
  - Government departments
  - Etc
- **Are they already members of APNIC or an NIR ?**
- **Applicant is authorised to apply on behalf of the entity?**
  - Photo ID
  - Authorization letter or evidence of ownership
- **Can they demonstrate their business operations?**
  - Website/Corporate profile
  - Bank statements/utility bills
  - Upstream service agreements/Licenses
  - Invoices / Customer payment receipts
