

JANOG Updates

Matsuzaki 'maz' Yoshinobu

<maz@iij.ad.jp>

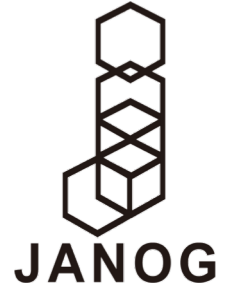

JANOG committee

About JANOG

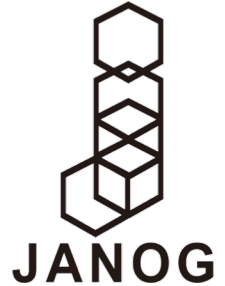

- Founded 1997, and still run by volunteers and donations
- 6700 mailing list members
- Meetings
 - Held twice a year, usually January and July
 - 3 days of plenary sessions, BoFs and hackathon
 - 1000+ attendees
- Discussions are in Japanese
 - Foreign languages are acceptable but casual translation is recommended

The JANOG meeting model

- No registration fee
 - Meals/drinks at your own
- A meeting host arranges every needed facilities
 - Responsible for the meeting budget
 - Seeks sponsors. We have 70+ sponsors now days
 - Usually an event organizer gets involved to organize the meeting, and they open a bank account to receive funds from sponsors
 - ‘JANOG comments #3’ describes the requirements and guidelines for a meeting host
 - <https://www.janog.gr.jp/doc/janog-comment/jc3.txt>

The JANOG meeting model #2

- We newly form a meeting committee every time
 - Call for volunteers on the mailing-list
 - Roughly 6 months term to prepare the meeting
- Responsibilities of the meeting committee:
 - Organize and promote the meeting
 - Deliver a program for the meeting
 - Work together with the meeting host
- Expecting ‘new blood’ :)

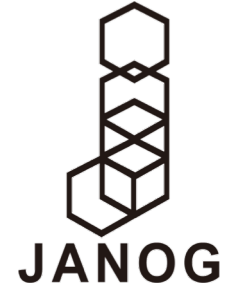

The recent meeting - JANOG44

JANOG

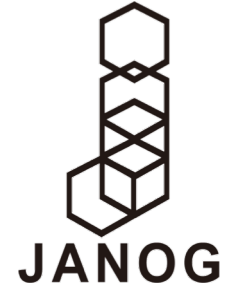

JANOG44 in Kobe in Jul 2019

- 3 days event
- 1603 participants
- Some Topics
 - Next Data Center Networking with SRv6
 - Practical starting point of network automation
- 30 talks, 16 lightning talks, 11 BoFs and hackathon

Future meetings

- JANOG45 Jan 22-24, 2020 in Sapporo
 - <https://www.janog.gr.jp/meeting/index.html>
- We have gotten host submissions up to JANOG50 (2022), and suspended seeking a future host at this moment.
